### **DETAILED ACTION**

1. The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or make obvious the claimed kite safety device. Specifically, the prior art fails to show a kite safety device comprising control lines attached as claimed to the kite and a control bar, a trim line having a central passageway extending through an opening in the control bar, a safety flying line extending through the passageway and attached to the kite and to a harness.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 1-19 are allowed.

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Winner, Bellacera, Harich, Starbuck, and Roeseler et al are cited as being of interest since they disclose kite control systems.
